

Expand Your Horizons

VIRTUAL PROGRAMS for Youths

STEAM at Home Challenge

For Ages 6-9

Monday, May 10
through
Friday, May 28

Children will view a series of four science experiments filmed by Cerritos Library staff. These videos will demonstrate how to create Rainbow Rainstorm, a Lava Lamp, Parachute Flyer and a Fizzy Balloon. Step-by-step instructions for each experiment will be given as children work through assigned modules in Beanstack. Children will earn digital badges for logging assigned reading and completing activities. Registration and program information will be available through the Cerritos Library's Beanstack service. To sign your child up for a Beanstack account, please visit the library's website at cerritoslibrary.us. For more information, please call (562) 916-1342.
